(210) 224 - 6651

Special Notes:

Enrichment Camps are taught by our passionate and highly qualified Providence faculty. Students will gain valuable skills and practice in subject area and have fun! All supplies will be provided for various activities. Students should bring a notebook and pencil if they wish to take additional notes. Each Art camp will have different activities, so girls are invited to sign up for both. Campers will be working with analog photography by engaging in alternative processes. Campers will take photographs of objects, portraits, and landscapes around campus using paint can cameras and light sensitive paper. The prints will be processed in the darkroom on campus so campers will have a true photograph that will last forever! For all camps, campers can arrive on campus 30 minutes prior to camp. If camper is participating in both a morning and afternoon camp, camper should bring a sack lunch. Campers will supervised between the sessions. Lunch is NOT provided.

Medical Info:

I release Providence Catholic School and its employees from any legal responsibility for any claims arising from any injury that may occur due my daughter's participation in Enrichment Camps. I also understand that participation will not be allowed without a parent/guardian signature on this registration form.
